Ref. No. KEBCS/2023-24/950

March 15, 2024

The Chairman,
School Governing Council,
K E Board Central School,
Malmaddi, Dharwad.

Subject: Regarding Revision of Parent Teacher Association for 2024-25.

Respected sir,

As we know and understand that an educational institute is a dynamic entity and it keeps evolving. The School Governing Council, School Management Committee, etc. play an important role in the development of a school. In the same way, the Parent Teacher Association, which is a group of committed parents of school students, and teachers of the school nominated by the Management authorities, acts as an open forum to discuss and take forward the concerns related with academics, safety and health of students in a school. Keeping the usefulness of the PTA for our school in mind, we have Parent Teacher Association in our school since 2022.

Now, we need to revise the Association for the next academic year. Hence, after taking consent of the new members, we humbly submit the revised PTA members list for your kind perusal and approval.

Thanking you,

Yours faithfully,

Ashwani Kumar
